

HEADPHONE HOOK

HH

Enjoy easy access to your headphones while reducing desktop clutter. Constructed out of steel, the HH headphone hook features a contoured silicone cradle designed to protect your headband while keeping it securely in place. High-strength 3M VHB adhesive ensures a quick and reliable installation to the underside of your desk, while optional self-tapping screws are provided for a more permanent setup. Use this low-profile headphone hanger with most on-ear and over-ear headphones weighing up to two pounds.

TECHNICAL ILLUSTRATIONS

UNDER-DESK DESIGN

Maintain easy access to your headphones while enjoying a more organized and clutter-free desktop.

SECURE MOUNTING

Ultra-strong 3M VHB adhesive ensures a quick and reliable installation. For a more permanent solution, use the provided self-tapping screws to secure the HH headphone hanger to the underside of your desk.

PROTECTIVE CRADLE

Made from anti-slip silicone, the headphone cradle features contoured edges designed to prevent indentations on your headband. Keep your headphones safe and secure while not in use.

CLEAN AESTHETICS

Along with sleek, industrial cues designed to match the rest of Kanto's premium desktop solutions, this low-profile headphone hook brings you one step closer to achieving that minimalistic style you've been craving.
